

Gospel of John Chapter 5 Bible Study

1. Read Chapter 5 of John and write down any questions that you have to share with the Bible Study Group.
2. Why is the recording of the healing of the invalid important enough for God to include it in the this Gospel account?
3. Why do you think that Jesus singled this invalid out among all those present at the well waiting for a healing?
4. Considering the dialogue and actions of the invalid throughout this chapter, what is his attitude toward those with him at the well, the Jews chastising him for carrying his mat on the Sabbath, and Christ?
5. Why was it that the Jews "persecuted" and desired to "kill" Christ? Verses 16, 18.
